The Midcounties Co-operative

Cannock Chase Regional Community are proud to advise we have raised

€10,000

for M.A.S.E. our 2017 Charity partner.

Thank you to all of our Members and Customers for supporting us through the year.

Sincere thanks go to the Team at Cannock Chase Regional Community who have this year raised a staggering £10,000 for the MASE Groups.

The determination to raise this incredible amount of money has come from a supreme effort made by all staff at the branches. We have always been made welcome at the Co-operative stores, where we have been asked to promote the MASE Groups; the friendliness of all the staff has been overwhelming. To put this donation into context £10,000 will run two MASE Groups for one year.

Some Breaking News: It has also been confirmed that the Cannock Chase Regional Community will be continuing their support to the MASE again in 2018!
