

# The **MASE** Group **HEDNESFORD**

The Hednesford MASE Group will be changing location in the New Year. Our first Group will be on **30 January 2020**. The Group will still have the same format, however, parking will be easier, and we will be on the ground floor.

We have a security person on the premises at all times and we hope that you will pass the word onto all your friends to let them have our new address:

**Staffordshire University Academy**

**Marston Road Hednesford, Cannock, Staffs WS12 4JH**

**(turning is off Belt Road, directly opposite a little white corner shop)**

1. The entrance for the school is in Marston Road and is straight ahead of you. The red/white barrier will be up to enable you to enter.
2. This car park is for the MASE people. So park your vehicle and walk up towards the entrance of the building.
3. There will be a security person on the door, who will guide you into the new room.
4. Please be aware this is a school hall and as such will not look anything like the Aquarius. However the volunteers will all be there to ensure you have a pleasant evening.
5. We will be on the ground floor and should we need to evacuate the building it will be a simple process.
6. It will of course be different but it is what we make it, and all Trustees are confident it will be a huge success.
